CORRESPONDENCE REGARDING THE ISSUE FEE

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

In response to the second Notice of Allowance dated October 1, 1996, transmitted herewith is the executed Issue Fee Transmittal.

Please note that for this application there was an earlier Notice of Allowance dated February 7, 1995. In response to this Notice of Allowance, the Issue Fee was paid in a timely manner on May 8, 1995. Subsequently, applicant decided to withdraw the application from issue. Applicant received a Notice of Withdrawal from Issue letter dated February 12, 1996 (a copy is enclosed). This Notice indicates in paragraph 3 that the prior payment of the issue fee could be applied toward payment of the issue fee in the event of a second Notice of Allowance. Therefore, applicant requests that the previously paid Issue Fee of \$1210.00 be applied to the Issue Fee due January 2, 1997.

However, the current Issue Fee due is \$1290.00 plus a \$30.00 charge for ten soft copies of the letters patent. Thus, current Issue Fee costs amount to \$1320.00. Since applicant has previously paid \$1210.00 toward the issue fee, applicant believes that the balance now due is \$110.00.

Applicant hereby authorizes the Assistant Commissioner of Patents to charge the difference of \$110.00 to the Deposit Account No. 14-1190. However, if that account has a balance less than the amount due, please charge the fees to the Deposit Account No. 13-0017.

If there are any questions regarding this correspondence, applicants' attorney invites the Patent Office to contact him directly at the telephone number listed below.

Respectfully submitted,

Dated: January 2, 1997
